The quick brown fox jumps over the lazy dog (Author and Writer, 2018) (use \citep{} to cite like this).

In Author and Writer's (2018) discussion, foxes and dogs seem to enjoy jumping and lazing about, respectively (use \cites{} to cite like this).

However, according to Author et al. (1999), we find that the lazy fox does not jump over the quick brown dog (use \cite{} to cite like this).
